

**Its a big country full of Oddballs. Years ago there
was a crank
in every town but he knew he was alone or
believed he was
where as now they find each other. The
mechanisms by which
oddballs get to know each other has changed and
gotten better and better.**

Expect nothing and you will never be disappointed

Don't poison other peoples head

A woman with a life and a story

The starve treatment

Restrictive interests

**People can't stop you from believing in your own
dreams**

Spontaneous expressions

**How are you doing?I'm old,ugly,mean,fat and
broke.**

**Tell me a fact Tell me the truth and remember tell
me a story
and believe it will live in my heart forever**

**Ingenuity is the ability to be cleverly Inventive and
resourceful**

Ignorance of the law is no argument

Hero of the American storyteller

Now we belong to the ages

**You have to have balls of steel
but still keep your sensibility**

You need to be good and fast in the movie business

The dog barks but the caravan moves on

Either step up or step out

Crack the doors of perception open

The key to forward progress is perception

**No plants or animals were harmed during the
process**

**Either you help write the menu or you're on the
menu**

There is value to hearing losers speak

People from the public purse

**Loves the accolades more than genuine
achievement**

**Why should I tell you what to do. I don't want
you telling me what to do.**

**Adding forms -Black produces a shape -
adding gray forms a tone adding white forms a tint**

sequentially a monologue talking to your self

Mister free style

Three can keep a secret if two of them are dead

Art Valve Media Valve

He was born smart but no real childhood.

He was an imitation adult

Thought Bubble

I'm in love with the world

Stella Adler came out of the Yiddish theater

**artist have a responsibility to reflect the culture
that you**

**are in and to give back to that culture in some
way, to speak**

for the people who can't speak for themselves

Window to humanity

**Constantly reinventing myself and constantly
pushing the limits and boundaries**

**When you have an art studio you want people to
visit you,**

**want them to buy something. When you don't have
many sales you get discouraged.**

Lenny Hall American Outsider

PR Value Work Harder Put in more time

Read subjects that give a variety of info

Maybe my life experiences could have value

Fame is only a side effect of creativity

**Everyone has that pipe dream of finding
a million dollars in the bushes**

Doctor Dave's Drainamatic

Ten Dollars to see it. Twenty Dollars to ride it

**I enjoy being around people
who are intelligent,funny or nice**

There is Niceness

**If you want to survive in the jungle
you have to go where the waters is**

**I didn't allow my difficult early upbringing to define
my life**

**You made that choice and the decision. You picked
him.**

So my sympathy for you is limited

Infinite Diversity

**Go beyond the surface to find a deeper meaning
and reality**

He started on third base and walked to home

**People who find a way,despite the odds to
find a way to triumph and get through**

A World built on fantasy. Total isolated bubbles in

the form of social networks. Synthetic emotions in the form of pills.

Psychological warfare in the form of advertising.

Mind Altering

chemicals in the form of food. Brainwashing seminars in the form of media.

Overestimating your sense of self- importance

If everyone is telling you your drunk. You better sit down.

There are no rules and the rules have all changed

You are a capable man you'll land on your feet

Play it like Ray

I'm a student of human instinct and behavior find I learn best as their instrument.

Mister Spec - The first one is free

He's all heat and no light

Squeeze the margin

The Float - The time it takes to process

You can't stop someone going 90 miles an hour

I'm a writer,artist,film maker,improvisationist and musician

Favorite writers Charles Bukowski,Hunter S Thompson

Idris Shah,Tahir Shah,Jonathon Haidt,John Waters

Clutter is the evidence of life

Living with a sense of purpose

The air in China kills 1.6 million people a year

The heat in Iran reached 165 degrees

We need a carbon tax

Doesn't have a skill set

**Question:How do refugees eat,bath and live own
their way to
another country?How do they find employment and
melt into
the countries society?**

Marginal Living

**He began life on third base and walked to home
base.**

**People who find a way to despite the odds to
find a way to triumph and get through**

**Original and unique art doesn't always fit in the
whole cog and
gear of the art community**

Cross Marketing and being part of the community

Flea Flicker

Over the top productions

Fueled by Sodium

Sleeper - One who stays in their studio and never or rarely visits other studios.

A negatively charged electrode positioned in the cavity's center creates an intensely hot spark

Sometimes you're the windshield sometimes you're the Bug

Keeper - one who's genuine interest and curiosity about visiting other studios

A Real Keeper - One who is genuine and visits regularly

Mega Media USA

Never lose sight of where you came from

Give room to funny or engaging people and letting them share

Committed and Consistent

Likeability is the outward manifestation of personality

Improv Hunters

All Hope is not lost. Glory is more than victory. Peace and contentment is possible. No one is saved that wants to be lost.

No more tension or stress. Acceptance of life experiences.

Choices can be made, development is not impossible, if faith, hope and trust is present. The body is alive. Deep concern acceptance

Lets jump off the cliff together and make our wings on the way down

Its like driving a gravy train with a biscuit wheel

You can learn a lot from reading and personal involvement
